Patient Responsibilities

<u>Patient Responsibility</u>: Patients are responsible for all charges resulting from treatment *by Bridge City Family Medical Clinic (BCFMC)*. As a courtesy to you, we will bill most insurance companies directly; however <u>you</u> are responsible for your account. Payment is due within thirty (30) days of receiving your bill, unless other payment arrangements are made. If your account goes to collection, you will be responsible for all fees incurred. *Patients are responsible for knowing what their insurance will and will not cover*.

<u>Initial Visit</u>: At your first visit you must have your current insurance card(s) and photo ID. You will be expected to pay for your visit if you do not have your current insurance information. You may also need to pay cash at the time of service if you have a co-pay, un-met deductible or are being seen for a non-covered service. Patients who do not need to pay at time of service are those with *HMO/PPO* insurance (except for the co-pay), *Medicaid* and *Medicare* insurance, OHP members with the correct doctor (PCP), and MVA appointments.

Insurance: Patients must bring their current insurance cards to each appointment. Your insurance policy is a contract between you and your insurance company. We are not a party to that contract. Consequently, you are responsible for co-pays, co-insurance, deductibles, non-covered services, and items considered "not medically necessary to treat" by your insurance company. These are due at the time of service. If payment cannot be made at each visit, notify the business office to make other arrangements. We will bill your insurance for you. Providing correct insurance information is the responsibility of the patient/guarantor. Any remaining balance should be paid off within one (1) month of notice from the insurance company. If you or your insurance company makes a payment that exceeds your balance, reimbursement will be made.

<u>HMO/PPO Plans</u>: <u>Co-payments are due at each visit</u>. You will not receive a monthly statement unless there is a balance owing from the patient.

<u>Oregon Welfare and Oregon Health Plan</u>: It is your responsibility to bring your current insurance card with you to each visit. If you do not, you may be asked to reschedule your appointment if we cannot verify coverage for that visit.

Medicare: We are Medicare Providers.

Motor Vehicle or other Liability Claims: We will bill your auto insurance or other liability insurance one (1) time as a courtesy. Settlement of these claims can take several months, <u>full payment for the visit or financial arrangements must be made at the time of service</u>.

<u>Divorced Parents</u>: BCFMC will not be responsible for disputes between parents due to a divorce. The parent who brings the child in will be responsible for the bill unless a court order is brought to the appointment showing parent responsibility for bills.

<u>Collection Charges</u>: The Guarantor will be responsible for the cost of collection and/or court costs and reasonable legal fees. Accounts assigned to collections will be charged a fee of \$40.00.

Return Checks: Patients will be charged a \$25.00 return check fee for checks that are returned by the bank; any future payments must be made in cash or money order.

<u>Abusive Behavior</u>: Verbal or physically abusive behavior or profanity towards staff will not be tolerated. This type of behavior will result in immediate discharge from the clinic.

Social Media: If you post a negative review on a social media site such as Facebook, Yelp, Google, Twitter, CitySearch or other internet based site you may be dismissed as a patient of the clinic. We take your concerns and your privacy very seriously and we believe that posting information without first attempting to resolve the issue directly with us is harmful to the therapeutic relationship we have. We are unable to respond to your concerns via social media. If you have a complaint or a concern please contact your provider or medical assistant directly. If you feel that your complaints have still not been adequately addressed please feel free to discuss with the medical director, Dr. Teri Bunker, DNP, FNP.

Missed/Late Appointments: You are expected to arrive 10 minutes prior to your scheduled appointment. If you arrive more than 10 minutes past your scheduled appointment time we will need to reschedule your appointment. If we do need to reschedule your appointment due to being late or not showing up entirely, a \$25.00 charge may be billed to your account. Chronic tardiness and missed scheduled appointments may result in dismissal from the clinic.

Advanced Notice for Appointment Cancellations/Reschedules: If a cancellation or reschedule is needed for a scheduled appointment, BCFMC requires at least a one (1) day prior notice. Failure to cancel an appointment in the given time may result in a fee of \$25.00 billed to your account. Chronic failure to notify staff of cancellations or reschedules in the appropriate time may result in dismissal from the clinic.

<u>Pharmacy</u>: We require seven days' prior notifications on all prescription refills. Refill requests made on Friday will not be available until the following Monday. <u>No refills requests will be handled after hours or on weekends</u>.
