Dear Valued Patient:

Thank you for allowing Dr. Selim Sekili to be a part of your healthcare at Memorial Katy Cardiology Associates. We would like to inform you that Dr. Sekili will be closing his practice at Memorial Katy Cardiology Associates effective October 1, 2023, due to health-related reasons. Dr. Sekili has requested that his practice partners at Memorial Katy assume responsibility for your medical care to ensure continuity of care and the highest quality of service. We are glad to make an appointment with one of our cardiologists listed below. You are also entitled to request to see a Memorial Katy provider whenever you visit any hospital system.

Your health and continuity of care are of the utmost importance to us, and we will be happy to recommend one of his practice partners to make for an easy cardiology provider transition.
