TSC Policies & Consent to Treat (Please Initial all sections, sign and date form)

FINANCIAL RESPONSIBILITY AGREEMENT:

Initials

I agree to assign insurance benefits to Texas Spine Consultants. We bill all primary insurance companies that we are contracted with as "network" providers as a courtesy to our patients.

I acknowledge full financial responsibility for services rendered by Texas Spine Consultants and authorize transfer of all unpaid amounts to me, which includes, but is not limited to, Co-pays, Deductibles, Co-insurance, Pre-existing Clauses, excluded conditions and/or termination of coverage. I agree to pay all legal fees including attorney and court fees as well as collection costs in the event of default payment of charges that are my financial responsibility. I further authorize and request all insurance payments be made directly to Texas Spine Consultants.

In treating your condition, I may prescribe an Orthofix bone growth stimulator. I am a supplier of Orthofix products. If you choose to obtain the Orthofix bone growth stimulator directly from me, I may earn a profit for the device. You may choose not to receive the Orthofix bone growth stimulator directly from me and may instead obtain another device that is the same or similar from another supplier, including Orthofix directly.

CONSENT OF TREATMENT:

Initials

I authorize Texas Spine Consultants Physicians and the Physician's Assistants to evaluate and treat me or my family member for any orthopedic illness or injury for which I seek medical care. I have read and understand the above clinic policies and I further acknowledge that I accept the terms outlined in each of the above policies.

PHYSICIAN ASSISTANT CONSENT:

Initials

This facility has on staff Certified Physician Assistants (PA-C) to assist in the delivery of orthopedic medical care. I acknowledge a Physician Assistant is not a physician. A PA-C is licensed by the state medical board and under the supervision of a physician can diagnose, treat, and monitor common acute and chronic diseases as well as provide health maintenance care. "Supervision" does NOT require constant physical presence of the supervising physician, but rather overseeing and accepting responsibility for the medical services provided. A list of services may be provided that are within the scope of practice for a PA-C upon request. I hereby acknowledge the above information and consent to the services of a Certified Physician Assistant for my health care needs. I understand that at any given time I can request to see the Physician instead of the PA-C.

MEDICATION POLICY CONSENT:

Initials

I authorize Texas Spine Consultants Physicians and the Physician's Assistants to obtain a medication history and/or list of current medications via my pharmacy for medical records.

HIPAA POLICY:

Initials

I have read and acknowledge the HIPAA Policy

If you miss your scheduled appointment, you will receive a \$25.00 charge at your next scheduled appointment. Excessive abuse of scheduled appointments may result in discharge from the practice.

Texas Spine Consultants Prescription Policy

Texas Spine Consultants diagnoses and treats conditions of the spine. We may prescribe medications for you to help relieve the pain. These medications, when used properly, can help patients feel better and lead more productive lives. These medications can also be misused, causing harm to patients and others. For this reason, the State of Texas and the Federal Drug Enforcement Administration regulate the use of medications. Texas Spine Consultants follows those laws.

Our policy:

1. Written prescriptions will not be replaced if lost, stolen or misplaced.
2. Prescriptions are to be taken as directed. In other words, do not change the frequency of the dose unless otherwise directed by a Texas Spine Consultants professional. If a change does occur, this will be noted in your chart.
3. Certain controlled substances such as Oxycontin, MS Contin and Percocet are written for a 30 day supply. It is necessary to make monthly follow up appointments in order to receive a refill. *By law, controlled substance medications cannot be refilled over the phone.*
4. Refills for prescriptions listed below may be refilled every three months. As a result, if you were not seen in the hospital or office, prescriptions cannot be refilled.
 - Sleep aids such as: Ambien
 - Anti-Inflammatories such as: Vioxx, Bextra, Celebrex
 - Narcotics such as: Hydrocodone, Percocet
 - Muscle Relaxers such as: Soma, Robaxin, Flexeril
5. If your prescription bottle indicates that you have refills remaining, contact your pharmacy directly. If there are no refills left, you will need to contact our office and schedule an appointment.
6. Refills will not be authorized at night, on weekends or holidays. Be sure to plan ahead to make sure you have enough pills.
7. Before your visit to Texas Spine Consultants, please check your supply of medication. If you need a refill, please ask.
8. Refill requests for prescriptions not prescribed by a Texas Spine Consultants physician will not be authorized.
9. If you believe you may be pregnant, discover you are pregnant at any time, or plan to become pregnant, it is your responsibility to inform this office immediately.
10. Urinary drug screens will occur prior to any narcotic regimen and approximately every three months following.

I have read the above prescription policy and I am aware of the necessary steps in order to have prescription(s) refilled.
